

List of findings

1) login

I am not a robot with numbers instead of pictures.

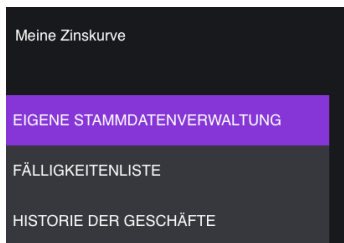

- On the german version, if we see any English word, we can assume that it is wrong/not yet translated.

- I think we should write all labels in non-all-caps-lock.

e.g. EINSTELLINGEN becomes Einstellungen.

We create a more calm environment

2) Borrower

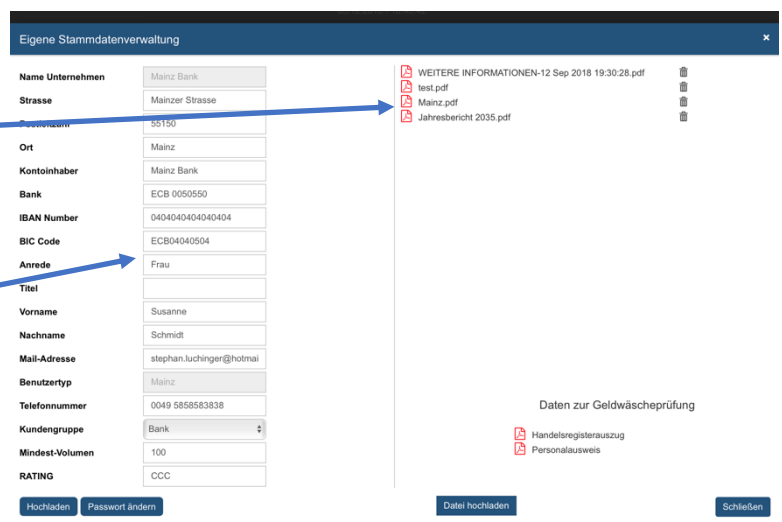

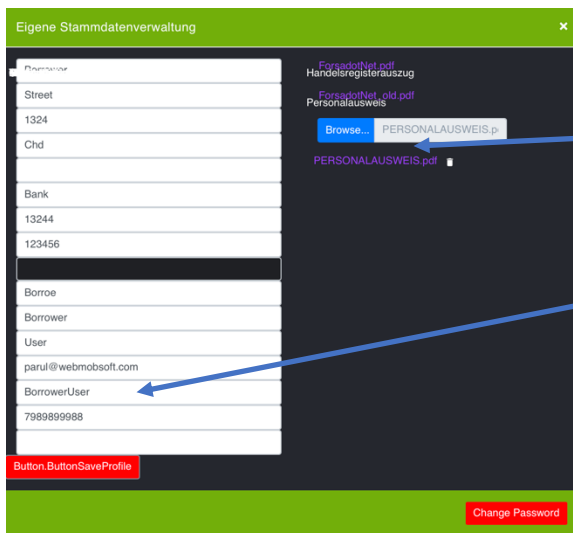

Eigene Stammdatenverwaltung

Should be just

Stammdatenverwaltung

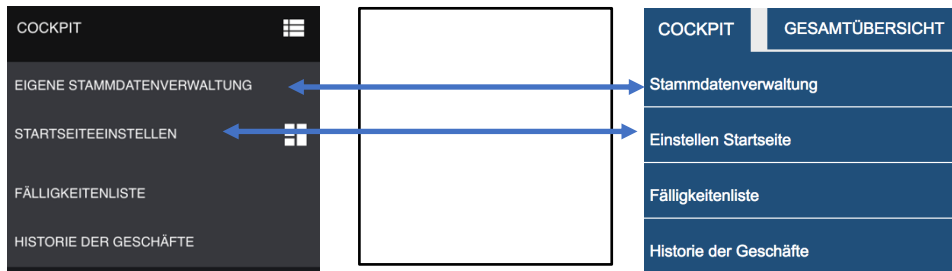

3) Borrower - Cockpit - STAMMDATENVERWALTUNG

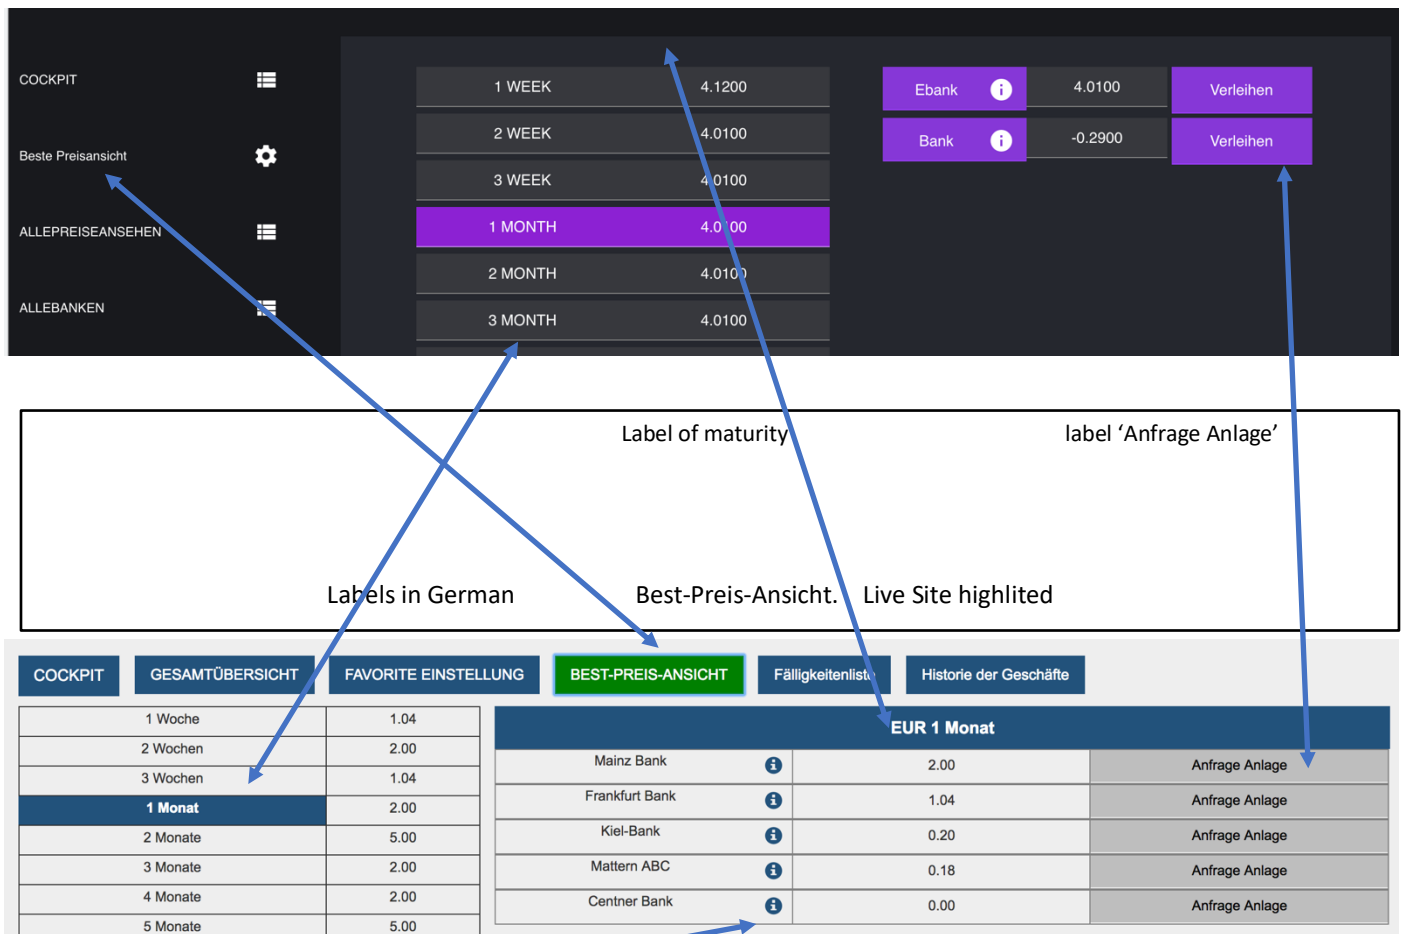

Titles missing
Layout not same
Labels not in German

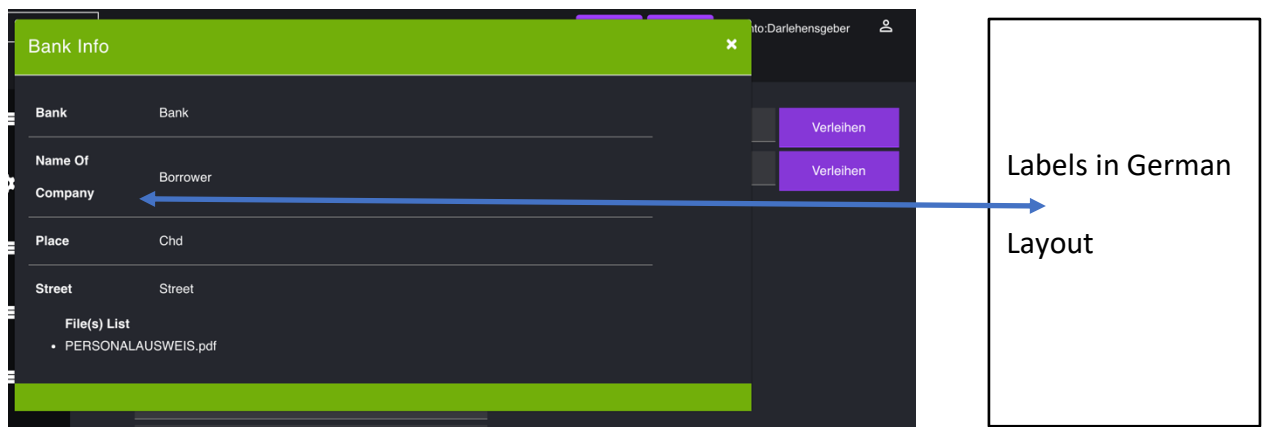

4) Lender - Cockpit - Labels

5) Lender - Cockpit - Labels

6) Lender – info text

7) Lender – Favorite Einstellung
